RE: Request for Allowance to Include Tax Impact onto Ballot

Dear Senator and Representatives:

The Board of Selectmen, representing our townspeople, seeks your assistance in obtaining a definition of the statutes from the Attorney General's Office regarding the Board of Selectmen's authority to insert the "estimated tax impact of warrant articles" onto the official ballot.

Epsom townspeople have shown us an immense interest in having the estimated tax impact on the ballot in order to make a more informed decision in the voting booth.

We appreciate your prompt attention to our request, confident that you represent our voters.

If the outcome from the Attorney General's Office is that there is not a provision, please seek legislation to consider the Board of Selectmen's authorization to insert the "estimated tax impact of warrant articles" as an allowable item on the official ballot.

As always, the Board is available for questions or concerns, should you have any. Please contact the office at 736-9002.

Sincerely,

Joanne Randall / Is  
Chairman  
Epsom Board of Selectmen
