**ADMINISTRATIVE ORDER
BY CONSENT**

No. 16-022 WMD

A. INTRODUCTION

This Administrative Order by Consent is issued by the Department of Environmental Services, Waste Management Division to, and with the consent of, New Hampshire School Administrative Unit #53, under the authority of RSA 146-C:9-a. This Administrative Order by Consent is effective upon signature by the parties.

B. PARTIES

1. The Department of Environmental Services, Waste Management Division ("DES"), is a duly-constituted administrative agency of the State of New Hampshire, having its principal office at 29 Hazen Drive in Concord, New Hampshire.
2. SAU #53 is a New Hampshire School Administrative Unit having a mailing address of 267 Pembroke Street, Pembroke, NH 03275. Dr. Gail Paludi is a Co-Superintendent of Schools for SAU #53. Epsom Central School is a school within the Epsom School District, a district that is part of SAU #53.

C. STATEMENTS OF FACTS AND LAW

1. RSA 146-C authorizes the Department of Environmental Services ("DES") to regulate the installation, maintenance, operation, licensing and closure of underground storage facilities. The Commissioner of DES has adopted NH CODE ADMIN. RULES Env-Or 400 (previously Env-Wm 1401) to set forth the requirements for underground storage facilities by establishing criteria for registration and permitting and standards for design, installation, operation, maintenance, and monitoring of such facilities (the "UST Rules") in accordance with RSA 146-C:9.
2. Epsom School District is the recorded owner of real property located at 282 Black Hall Road in Epsom, New Hampshire (the "Property").
3. Epsom Central School is the registered facility owner of one 6,000-gallon, #2 heating oil, steel, double-walled underground storage tank ("UST") with safe suction piping without leak monitoring at the Epsom Central School, further identified as UST #0110253, DES Site No. 199803039 (the "Facility"), located on the Property. DES issued permit to operate #0110253 (the "Permit") to SAU #53, on December 1, 2010, to allow the operation of the UST at the Facility.
