

The Epsom Cemetery Trustees met at 5 pm, January 15, in the Epsom library. Present were trustees Gary Kitson, Carol McGuire and Hugh Curley.

Hugh presented the updated Right to Inter form, and has emailed the final version to all.

Since we do not expect to go out for mowing quotes next year, one of the Trustees will need to sign each mowing bill to attest that the mowing has been satisfactory. Gary agreed to get the bills from the mowers, inspect the cemeteries, sign the bill and deliver it to the town office for payment. This is the method (different trustee) used in previous years when there wasn't a formal contract between the town and the mowers.

Gary is developing a database of the occupied plots, and the trustees will go out in the spring to map the newer part of McClary.

Next meeting will be 5 pm, Monday, February 11, at the library.
